### CHECKLIST

Order sufficient materials to complete the job. Additional wallcovering may vary in color, width and/or texture. **Before cutting**, carefully examine your order for the quantity, consecutive pattern & dye lot numbers, design, or any imperfections.

### INSTALLATION

Carefully follow application instructions. Cut no more than 2 strips from your order. Surfaces must be clean, dry and free from any past residue. We recommend a pre mixed heavy duty, non-staining adhesive for this wallcovering. Do not install over an existing wallcovering. Wash adhesive completely off of the surface of the wallcovering after each strip is hung. Any adhesive left on the face of the wallcovering can cause shading at the seams and or surface causing discoloration at a later date. **We assume no responsibility whatsoever for any labor or material cost incurred on imperfect material.** Any questions, contact your supplier for more information.

### CARE & MAINTENANCE

All wallcoverings in this collection are washable using a mild soap that does not contain detergent or bleach. Rinse immediately with clean water. Stains caused by grease or oil may not necessarily be removed.

### RETURNS

All wallcoverings from this collection are stocked and shipped from the United States. Allow up to 2 weeks for shipping. Please order accurately. **Only uncut bolts of wallcovering in original unopened factory wrapper may be returned for credit within 30 days of purchase, subject to a 30% handling charge.** Return authorization (RA) numbers must be obtained from Customer Service prior to returning merchandise.
